PORTFOLIO COMPANIES

Martel Instruments Holdings Limited

Business description: Manufacturer of compact printer and LCD modules

Deal Type: MBO

Sector: Electronics & Electrical Equipment

Martel Instruments is one of the leading UK manufacturers of compact printer and LCD modules. Based in Durham, Martel operates a design and manufacturing facility servicing a global customer base with printer and display solutions. The business supplies products to a range of industries including automotive, medical, telecoms, transportation and retail.

Aberdeen invested in 2007 in a transaction which saw Managing Director, Stephen Kent, acquire the business from the founders. John Finlan, who has a wealth of experience in manufacturing and industrial products and services has joined the company as Non-Executive Chairman.

Number of employees: 40
