

Martel Instruments Holdings Limited

Deal Type: MBO

Initial Investment: January 2007

Sector: Specialist Manufacturing

Martel is one of the leading UK manufacturers of compact printer and LCD modules. The business is based in County Durham and differentiates itself from other printer suppliers by offering a complete design and build service for low volume/high customisation printer solutions. Martel offers in-house software and tooling design expertise, as well as injection moulding and surface mount capabilities. The business supplies products to a global customer base, across a range of industries including automotive, medical, transport and retail.

For the financial year 2010, the business generated sales of £4m.

Number of employees: 30
