

Aberdeen Asset Managers Growth Capital

PORTFOLIO COMPANIES

Training For Travel Limited

Business description: Provider of assessment, tuition and training to the travel sector

Deal Type: MBO

Sector: Support Services

Established in 1997, Training For Travel is a specialist training provider to the travel industry. Originally covering the North of England, TFT has now expanded and provides training on a national and international level primarily through the Government's Learning and Skills Council initiatives.

Aberdeen Asset Managers Growth Capital invested in 2008 and is working alongside Managing Directors, Beverley Platt and Joanne Roche, to continue the growth and further expansion of the business throughout the UK.

Number of employees: 64
